To Whom It May Concern,

I am pleased to write this letter of recommendation on behalf of Nikolay Chakarov. I have known Nikolay for two years as his Trainer at the Cisco ITC Academy, Technical University-Sofia (Academy ID: 3000710). Nikolay Chakarov was part of my student groups for CCNA Exploration training at our academy.

Nikolay is conscientious, serious student who has a strong interest in telecommunications and plans a career in network planning support and IT security related field.

Overall, Nikolay is highly intelligent and has good analytical skills. He did all given exercises with professionalism and ambition to solve the problem in the best way. Furthermore, Nikolay demonstrated good team working skills in group assignments.

At personal level, Nikolay is a well-disciplined, industrious student with a pleasant personality. He went well beyond the course. Throughout the training Nikolay was not only interested in it and motivated to learn the material, but put great work to assimilating it to his own experience.

Nikolay has proven himself to have the perseverance and initiative, and the intellectual creativity necessary to complete an advanced courses and professional training. I would therefore highly recommend Nikolay Chakarov. If his performance in my class is a good indication of how he would perform as employ, he would be an extremely positive asset to your organization.

If I can be of any further assistance, or provide you with more information, please do not hesitate to contact me.

Sincerely,
Assistant Professor Dr. Alexander Tzokev
